

# AN OPPORTUNITY FOR LOOK GOOD FEEL BETTER SUPPORTERS AND PARTICIPANTS

Ethan Allen is pleased to share an event that will enable you to continue your support of Look Good Feel Better (LGFB) and its efforts to help women with cancer manage the appearance-related side effects of treatment.

Bring this letter to any of our Design Centers in Canada between November 1, 2019, and June 30, 2020, and Ethan Allen will donate 2% of your purchase to LGFB.\*

Known for exceptional quality, craftsmanship, and service for more than 87 years, Ethan Allen offers everything you need to furnish your home:

- Furniture for every taste and every space, plus an inspiring selection of home accessories, from decorative accents to rugs, bedding, mirrors, and more
- Countless custom fabrics, leathers, finishes, and trims to personalize your styles
- Complimentary design service from our design pros, who will help you as little or as much as you'd like

This exclusive charitable shopping program to benefit LGFB is part of our commitment to helping communities in which we live and work. We invite you to visit any of the following participating Design Centers to discover quality and style you can feel good about.

**CALGARY • MONTREAL • TORONTO • VANCOUVER**
